Recruit staff with the International Placement Services (ZAV). Save time and money.

- You have a company in Europe or overseas and you hope to recruit skilled workers from Germany?
- You have a company in Germany and you want to recruit skilled workers from abroad, primarily from the European Single Market?

The Employers Service run by the International Placement Services (ZAV) in Bonn is the perfect partner for you.

We can draw on our international links. We are members of EURES, the European Employment Services network that unites public employment services throughout Europe, and we work closely with embassies and chambers of foreign trade.

Our Employers Service has in-depth knowledge of these countries and their labour markets.

How to contact us:

Phone: + 49 (0) 228 / 7 13 - 10 12

We will help you find suitable staff

- by publishing your vacancies on our www.arbeitsagentur.de and on the European vacancy database www.europa.eu.int/eures,
- by screening applicants on your behalf,
- by organising selection procedures for you.
- We can also provide your applicants with information about the country of employment
- and organise international job fairs and exchanges.
