

Tips on Choosing the legal form for your company

Choosing the legal form for your company is a very important decision. Even though there is a wide variety of resources about this topic, the best thing to do is to contact a [lawyer](#) or a [tax consultant](#) that can support you and guide you in this matter. The Federal Ministry of Economics and Technology also offers a [Business Start Up Portal](#) that provides you in-depth information about the possible company legal forms in Germany.
